EQUIPMENT LIST – ARRIGETCH/ALATNA

THIS DOCUMENT LISTS ALL CLOTHING, EQUIPMENT AND OTHER GEAR NEEDED FOR YOUR ALASKA ALPINE ADVENTURE.

Please note that some items will be supplied by Alaska Alpine Adventures; other items you will need to provide yourself. The checklists below contain all of the clothing and gear required for any trip offered by Alaska Alpine Adventures. By following them, you should find yourself well-equipped for your adventure. We are always happy to discuss equipment needs with you, so please do not hesitate to contact us with any questions.

TRUST YOURSELF, NOT THE WEATHER!

We travel light, yet spare few comforts, and the following checklists reflect this dogma. Our lists are based on typical seasonal and environmental conditions you are likely to encounter. Please refer to your particular adventure’s itinerary for specific weather conditions you can expect at your destination. Living by the tenant of “Hope for the best, plan for worst, and probably get something right in between” has served us quite well and often seems to sum up the Alaska experience. Environmental comfort levels will vary from person to person, so please select your clothing and equipment accordingly and use the following checklists as a guide. It must be stressed that the items listed (or your own favorite substitution) are MANDATORY and must be in your possession when you head into the field.

You can find most of these brands at your local outdoor retailer or online. The Alaska Alpine Adventures website also contains links to suppliers at: www.alaskaalpineadventures.com/resources/links.
